Assignments

Task 1: Observe the photo on Page 4 and evaluate whether it is useful enough to give you a better idea of Zhong Yang and his work. Write down your opinions briefly on your worksheet.	
Task 2: Decide on one scientist that interests yo	u and write a paragraph of 60 words about him or
her. You should cover the following information	in your writing:
* The name and the type of the scientist;	
* One key fact revealing his or her personal qualities.	
	e writing the paragraph. Tick each box after you
finish your writing. The checklist for your writing:	
☐ Is my choice of fact proper enough to refle	ect the scientist's qualities?
Does the paragraph include vivid and concrete details?	
☐ Is my narrative clear, coherent and grammatically correct?
