

Worksheet

Zhong Yang's Words and Deeds

Quote 1	Scientific research itself is a challenge to humans, but challenges always coincide with opportunities.
Deed/Deeds	
Attitude	
Quality/Qualities	
Notes	

Quote 2	Tibetan students have an amazing natural laboratory on their doorstep, but I found they are just not that interested in science as far as I can tell. I want to inspire students and cultivate a scientific spirit among them as there are still places in Tibet that have not been explored.
Deed/Deeds	
Attitude	
Quality/Qualities	
Notes	

Quote 3	I have never regretted being a scientist. Imagine what you do today will benefit many people, even after you die. Everything difficult is worth the price.
Deed/Deeds
