Grammar Highlights

Tense	Form	Use	Example
Simple present	am/is/are do	For actions that happen regularly, or for permanent situations.	There are a lot of neatly-dressed nice girls in school.
Simple past		For an action that happened in a definite time in the past.	Ruby gave me an apple and Sophia lent me a lovely pink pen.
Simple future		For an intention or a plan, a prediction, or an action in the future.	But I like Diana best and always will .
Present continuous		For something that is happening at the moment of speaking or for a limited time in the present.	I am writing this letter because at the moment I am too excited to fall asleep.
Past continuous		For an action that was happening, but not completed, at a particular time in the past.	I was thinking of my new school life at this time yesterday evening.
Present perfect		For an action that happened in the recent indefinite past, an action or state that began in the past and continued to the present time, or for a past event with results in the present time.	It is the first time I have shared a dorm with three other girls.

Anne's first day in high school

I'm texting cuz at the moment
I'm too excited to fall asleep.

It is the FIRST time I've shared
a room with three other girls.

I can't believe I was thinking of
my new school life at this time
yesterday evening.

Tell me more about your school
and roommates then. 😊

- 2.

- 1.
2. am excited

An interview on Anne's high school expectations

Interviewer: What did you expect about high school when you were in middle school?

Why is 'would' used here instead of 'will'?

Anne: I hoped that I would be able to join a school drama club and perform on the stage.

Interviewer: Have you achieved your goal now?

Why is 'was' used here instead of 'is'?

Anne: Well, I was going to apply for the club, but they won't recruit new members until next month.

An interview on Anne's high school expectations

Work in groups of four and complete the table according to Anne's interview.

Tense	Form	Use	Example
Future in the past		For talking about hopes, expectations and intentions we had in the past.	
		For talking about a past intention, and it works well as an example of an excuse.	

The difference and similarity between future in the past and simple future?

Simple future	am/is/are going to do will/shall do	For an intention or a plan, a prediction, or an action in the future.	<i>But I like Diana best and always will.</i>
