Greeting

Hi Janet!

Lovely to hear from you and how exciting that you're coming!

You've picked a great area to stay in as it's right next to a must-see attraction, Gardens by the Bay. They light them up at night and the kids will love it. Another place to take the little ones is the zoo, and the Night Safari is re more active at night than during the day, so it's pretty special.

As for food, there's quite a variety here. I'd recommend trying laksa and kaya toast – they're both really typical Singaporean foods. You can also eat well and cheaply at street markets.

You should definitely check them out!

Can't wait to see you all!
