#### Version 1

There is a small pond in the garden. Some fish are swimming happily in the pond. There is a long path in the garden. Some flowers and trees grow there. There is a bench. We can sit there and enjoy the beautiful scenery. An elaborate fountain also stands in this garden.

#### • Version 2

There is a small pond at the left corner of the garden. Some fish are swimming happily in the pond. There is a bench near the pond. We can sit there and enjoy the beautiful scenery. An elaborate fountain stands in the middle of the garden. On the right of the fountain, there is a path, on either side of which some flowers and trees grow.

A collection of landscape paintings and photos will be shown at the International Art Festival of our school. You are one of the volunteers at the festival and will introduce and describe the painting to the foreign visitors.

### **Describe a Scene in a Landscape Painting in Spatial Order**

- 1)Make a list of the **details** that you see in the painting
- 2)Rank the details from the most impressive to the least
- 3)Think about the angle you see from (e.g. from left to right, from top to bottom,near to far, east to west, centre to outer edge, outside to inside,etc.)
- 4) Decide on the order to present the details
- 5) Think abou the feelings when seeing the painting
- 6) Oraganize languages for an oral description

(eg.relative clause)

 When you walk into the school, the first thing that comes into view is the main road which is long and straight. Many tall trees and beautiful flowers stand in line on either side of the road. When walking along it, you will feel as if you were in a corridor (走廊) which is formed by trees.

On the left side of the road is a playground, <u>to the west of which stands</u> <u>a Students' Canteen</u>. A basketball court is opposite to the palyground, <u>which is a paradise for</u> <u>basketball lovers</u>.

All presents a peaceful and beautiful campus.
