

1. Q: What paraphrasing strategy is used in the following conversation?

**A: How do you usually spend time with your friends?**

**B: Sometimes we meet, talk and play together. I like to listen to my friends, but I don't like to give them advice because I don't want to change them.**

**A: Let me put it in another way: you don't like to give them suggestions but listen to them while talking and playing together.**

**B: Exactly. I prefer listening to giving ideas.**

**A: Do you mean that you are a good listener, and not bossy or controlling?**

**B: I think so.**

2. Q: What should be included in a checklist for interview conducting?

### Checklist

### Assignments:

1. Upload the recording of a group interview on friendship to the Wechat group.
2. Sum up the views on friendship of another group and comment on the effectiveness of the interview.
