能归纳介绍博物馆时的要点并根据重要性排序。

Part I: Listening

1. What do you know about the Forbidden City?

The Forbidden City is located in Beijing and was the Chinese imperial palace during the mid-Ming and the Qing Dynasties. It is listed by UNESCO as the largest collection of preserved ancient wooden structures in the world. Now, it is called the Palace Museum instead of the Forbidden City.

2. What are the possible ways of visiting the Forbidden City? Which way do you prefer? Why?

People can visit the Forbidden City either on the spot or online.

I prefer to visit the Forbidden City in person because only in this way can I walk into the "palace", see the treasures and feel their glamour.
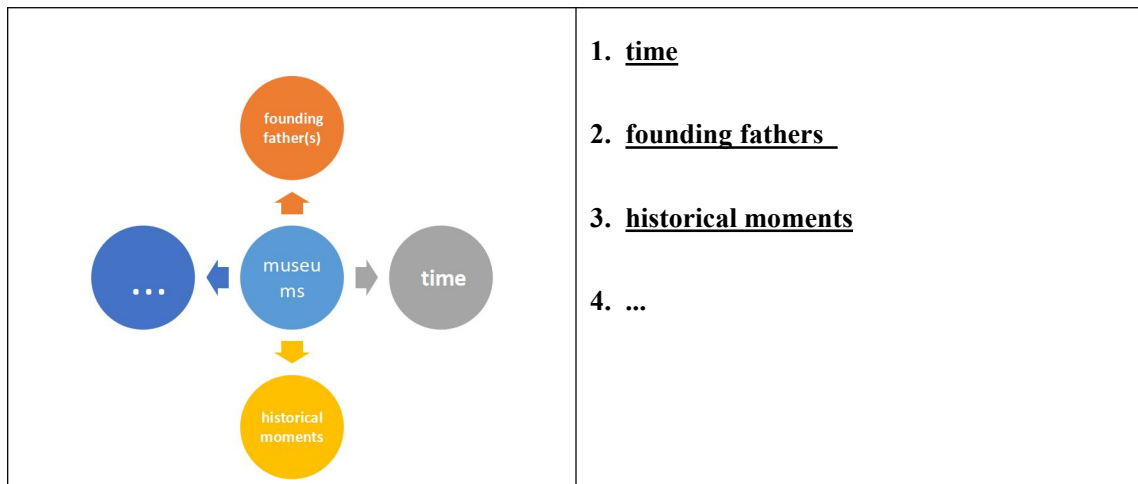

Part II: Viewing

What are the advantages and disadvantages of visiting online museums?
