

**Worksheet (During the class)**

**I.** Read Para. 1 aloud and match the verbs and its meanings

Para.1: the death of the shark

- swing            put ... around
- wrap            turn around quickly
- lash            make a short and hard sound
- click            move from side to side fast
- plow            turn over (soil, water, etc.)
- beat
- lie
- go down

**II.** Read Para2-9 in-depth and fill in the table

Para.2-9: the old man's loss and his \_\_\_ internal conflicts/mental activities \_\_\_

<b>First thought</b>	<b>Second thought</b>
When the fish had been hit it was as though he himself were hit.	But he killed the sharks that hit his fish and revenged for his fish.
He wished it had been a dream now and that he had never hooked the fish...	But "man is not made for defeat; a man can be destroyed but not defeated."
Bad time was coming... The dentuso was cruel, able, strong & intelligent.	But he was more intelligent than he was. Perhaps not, perhaps only better armed.
He told himself not to think too much but ... take it when it comes.	But he had to think.

**III.** Read the 10th paragraph to the end and sum up this last part in no more than 20 words
