

《高中英语（上外版）》必修第三册 Unit 3 Healthy Lifestyle

Work sheet for Grammar in Use（学生版）

- Cross out the unneeded part in terms of ellipsis and figure out the context where the ellipsis is used.

<p>-When did you go to the dentist? -I went to the dentist yesterday morning.</p>	<p>-What do you usually do to keep a healthy lifestyle? -I go biking and jogging every day to keep a healthy lifestyle.</p>	
<p>I'll go for a walk with you if you want me to go for a walk with you.</p>	<p>You should get enough sleep every day to do well at school and work if you want to do well at school and work.</p>	
<p>Mike runs faster than John runs.</p>	<p>That student of the sports club jumps higher than all other students jump.</p>	
<p>- What did they have for lunch? - Alice had a bottle of yoghurt and some nuts, and Alan had a piece of mushroom pizza.</p>	<p>Students are good at different ball games. Sabrina is good at volleyball, and Kevin is good at basketball.</p>	

- Work in groups to find out the ways among group members to keep healthy.

Group _____	
Name	His / Her lifestyle in particular (note down the details in different aspects)

--	--

- Report the result to the whole class using ellipsis.

You may refer to this checklist:

Is the ellipsis used correctly?

Is the report well-structured?

Is the content informative?

Is there a good choice of words and phrases?
